## ***DR. R.R. ANDERSON'S SOUTH SOUND TECHNOLOGY CONFERENCE***

----- AUDIO LECTURE SERIES ONLINE -----

Dear Friends,

Acting for anyone who missed Thursday's big event at the South Sound Technology Conference and having been spurred on by a series of influential online personalities, i've posted the audio portion of my lecture here:

<http://i.feedtacoma.com/NineInchNachos/blogging-20-south-sound-technology/>

to my personal blog @ Feed Tacoma [dot] com which if you haven't heard about is an excellent resource for any artist looking to keep tabs on ALL THINGS TACOMA. I help 'em out with my online [TUESDAY MORNING political cartoons](#) (wicked fun) !

If you'd like to [start YOUR OWN ART BLOG](#) you can do that too!

**we're your real friends™**
