Dear Friends,

I, your unattached political cartoonist and humble servant RR Anderson of my own freewill appeal to your kind charity as I seek your support for an upcoming court battle to repel nefarious UN-Named Agents of Lakewood in Their Cowardly Plot to BlackMAIL my digital HFW empire.

We are giving altruists the opportunity to 'pay it forward' through our DONOR-TILE fund raising program. Here's how it works:

Homedepot has donated over 100 Mexican terracotta hand finished tiles of only the highest quality (retail valued at over 86+ CENTS EACH) on which we shall inscribe with your name (once the check clears), then install (name-side down) into our new AMOCAT art studio!

Pledge Options:

- 12x12 tile with name inscription - \$400, 000.00
- 12x12 tile with misspelled name inscription - FREE
- 6x3, 12x12 tile shard with NO name inscription but referred to by a made up nickname when with friends - FREEEEE!!!1!

*please do not consider this scam
